# BIONICLE

The Toa Metru face their greatest crisis. Branded criminals by Turaga Dume, they are pursued by the Dark Hunters and the Vahki. Three of their number have been imprisoned, along with Toa Lhikan. And every second brings Metru Nui and the Matoran closer to final disaster.

The excitement and joy over becoming Toa Metru has been replaced by grim resolve in the face of such overwhelming danger. The shadows are closing in on the city, and the heroes of Metru Nui are starting to wish this was all just a bad dream.

But for Vakama, the nightmare has only begun ...

MY NAME IS  
VAKAMA. THIS IS  
MY NIGHTMARE.

THE UNCONSCIOUS BEINGS  
SCATTERED AROUND ME ARE  
THE OTHER TOA METRU. THE  
ARMORED COLOSSUS IN  
FRONT OF ME IS THE REASON  
THEY ARE ON THE GROUND.

I'M HOPING THAT I AM  
GOING TO WAKE UP FROM  
THIS VISION SOON... OR I  
MAY NEVER WAKE UP AGAIN.

MY DISK LAUNCHER WON'T WORK.

HE'S NOT GOING TO GIVE ME TIME TO FIX IT.

THIS WOULD BE A REALLY GOOD TIME TO WAKE UP.

REALLY. I WOULD EVEN BE HAPPY TO SEE ONEWA RIGHT NOW.

SQUEEZING ... EVERYTHING'S STARTING TO FADE ... I ...

WHERE AM I NOW? AND WHY CAN'T I MOVE?

OH. THAT'S WHY.

YOU THINK YOU CAN SAVE METRU NUI, LITTLE FLAME? YOU ARE JUST A MATORAN WITH DELUSIONS OF ADEQUACY.

YOUR TIME HAS RUN OUT, AND YOU DON'T EVEN KNOW IT. ASK MY... BROTHER.

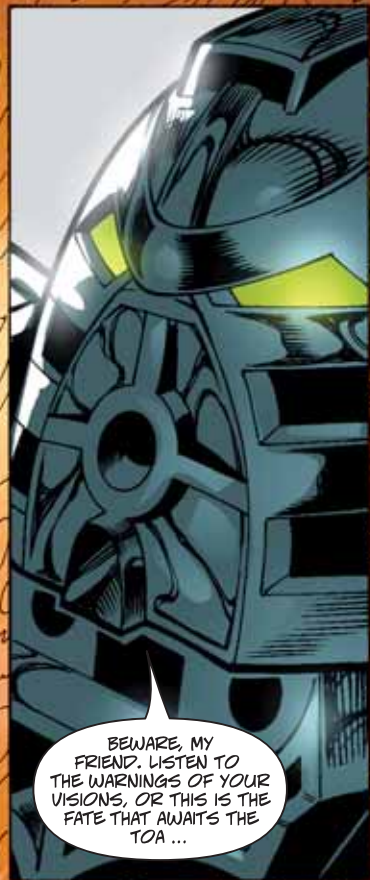

WELL, AT LEAST I AM OUT OF THE WEB. BUT WHERE HAS THIS VISION TAKEN ME? THIS PLACE LOOKS LIKE NUHRII'S LIVING ROOM.

STOP ASKING WHERE, VAKAMA. START ASKING WHY.

TOA LHIKAN! BUT YOU WERE CAPTURED!

WHY WERE YOU GIFTED WITH THESE VISIONS? WHY DO YOU SEE WHAT OTHERS CANNOT? AND, IN MATA NUI'S NAME, WHY DO YOU RESIST ACTING ON WHAT YOU SEE?

BEWARE, MY FRIEND. LISTEN TO THE WARNINGS OF YOUR VISIONS, OR THIS IS THE FATE THAT AWAITS THE TOA ...

TURAGA DUME!  
BUT... BUT YOU  
ORDERED THE  
ARREST OF THE  
TOA!

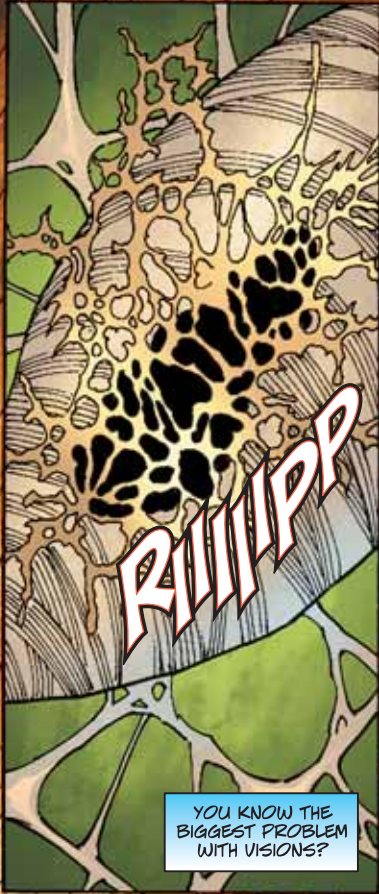

ONLY IN THE  
WORLD OUTSIDE,  
VAKAMA. IN YOUR  
MEMORIES, I AM STILL THE  
VOICE OF WISDOM YOU  
HAVE HEEDED FOR MOST  
OF YOUR LIFE.

AND IT IS WISDOM  
YOU NEED NOW. YOUR  
FIRE GENERATES HEAT,  
BUT PRECIOUS LITTLE  
LIGHT, IT SEEMS. SO  
YOU DON'T SEE...

...WHAT'S  
RIGHT IN FRONT  
OF YOU!

WHAT  
IS THIS  
PLACE?

THE PATH  
YOU WALK LEADS  
HERE, TOA OF FIRE.  
THIS IS YOUR  
DESTINATION.

NO!!

VAKAMA, WHAT IS IT? ANOTHER VISION?

MORE LIKE A NIGHTMARE... I HOPE NOT A PROPHECY. WHERE ARE WE?

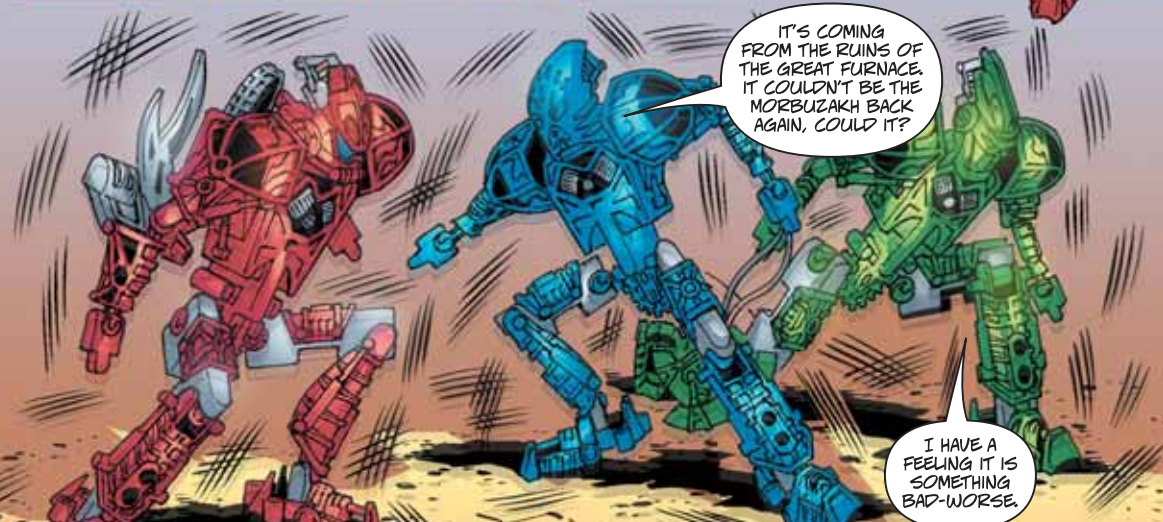

YOU DON'T REMEMBER? YOU, MATAU, AND I ESCAPED THE AIRSHIP BEFORE THE DARK HUNTERS COULD CAPTURE US. BUT WE HAVE TO FIND THE OTHERS, AND TOA LHIKAN.

AND RAPID-QUICK THE VAHKI ARE SURE TO BE LOOKING FOR US, THANKS TO TURAGA DUME.

YES, OF COURSE, DUME... THE VAHKI... TOA LHIKAN. WE HAVE TO... WAIT, DO YOU FEEL THAT?

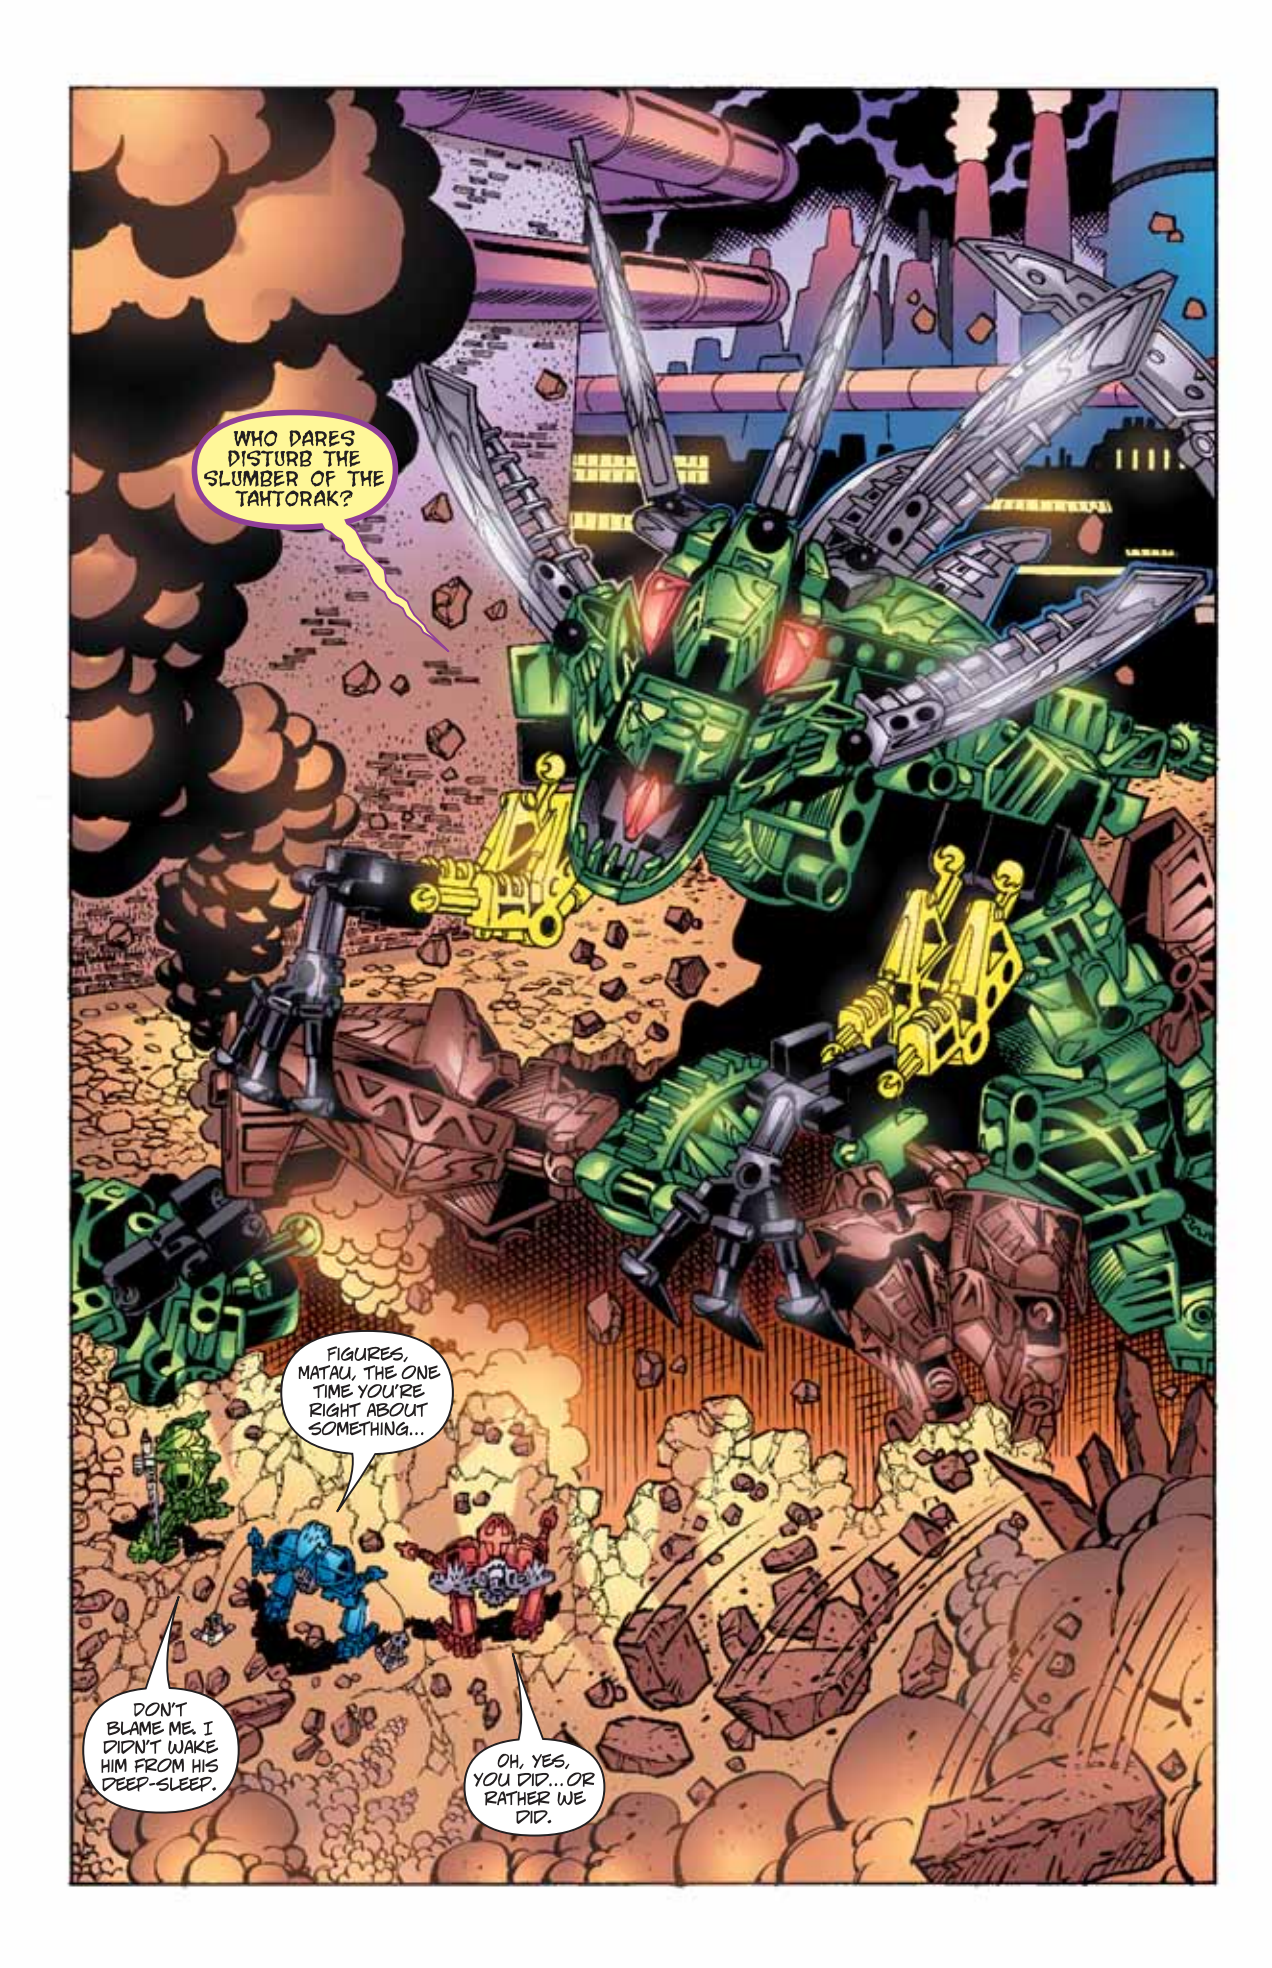

IT'S COMING FROM THE RUINS OF THE GREAT FURNACE. IT COULDN'T BE THE MORBUZAKH BACK AGAIN, COULD IT?

I HAVE A FEELING IT IS SOMETHING BAD-WORSE.

**RUUMMBLLEE**

WHO DARES  
DISTURB THE  
SLUMBER OF THE  
TAHTORAK?

FIGURES,  
MATAU, THE ONE  
TIME YOU'RE  
RIGHT ABOUT  
SOMETHING...

DON'T  
BLAME ME, I  
DIDN'T WAKE  
HIM FROM HIS  
DEEP-SLEEP.

OH, YES,  
YOU DID...OR  
RATHER WE  
DID.

# MASTERS OF

From out of the shadows of **METRU NUI** come the mysterious **RAHAGA**, weird figures combining the wisdom of skilled hunter/trackers and the animal instincts of **RAHI**. Only they can help the **TOA HORDIKA** master their new powers and control the savage beasts within. Using their **RHOTUKA** spinners, the **RAHAGA** capture wild **RAHI** to keep them safe from the rampage of the **VISORAK** hordes.

## RAHAGA GAAKI - 4868

Gaaki is always trying to prove herself to her fellow Rahaga, sometimes plunging into dangerous situations just to show she can handle them. Her specialty is hunting water Rahi. Her Rhotuka floater can fly through the depths, attaching itself to a Rahi and bringing the creature to the surface.

## RAHAGA POUKS - 4869

Fearless and brave, Pouks challenges the largest Rahi, including the Kikanalo and the ash bear. He can launch his Rhotuka lasso spinner low to the ground, upending the beasts and stunning them long enough for him to close in.

## RAHAGA KUALUS - 4870

Kualus is considered strange even by Rahaga standards, often spending his time talking to flying Rahi in a language composed of clicks and whistles. His Rhotuka boomerang spinner can attach to an airborne creature and bring it back to the waiting claws of Kualus.

# THE RAHI!

## RAHAGA NORIK - 4877

Wise and able, Norik is respected by the other Rahaga even if not all of them share his belief that the Toa Hordika can be cured. He uses his staff and his fluid movements to distract Rahi reptiles until his Rhotuka snare spinners can trap them.

## RAHAGA BOMONGA - 4878

Nicknamed "Quiet-Night," Bomonga hunts in absolute silence. His prey are the Rahi "hidiers," insect and nocturnal species. From a place of concealment, he launches silent spinners that attach to and temporarily paralyze Rahi.

## RAHAGA IRUINI - 4879

Iruini relies on his patience and gentle manner to lure Rahi into his traps. His skill is so great that he can track a Rahi climber by the movements in the air. The snag spinners he launches tangle the creatures' limbs in a net and brings them down.

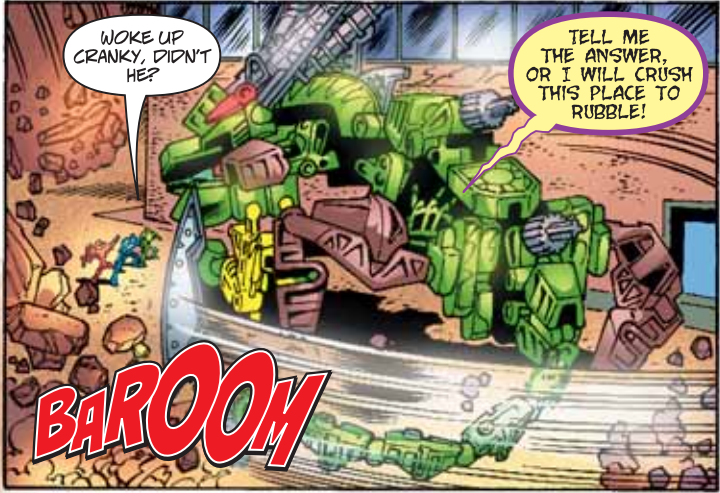

REMEMBER? THE MASSIVE CREATURE WE SAW BENEATH THE MAINTENANCE TUNNELS IN ONU-METRU? OUR BATTLE WITH THE KRAHKA MUST HAVE AWAKENED HIM.\*

\* CONFUSED? YOU WON'T BE IF YOU READ BIONICLE ADVENTURES #3: THE DARKNESS BELOW.

WOKE UP CRANKY, DIDN'T HE?

TELL ME THE ANSWER, OR I WILL CRUSH THIS PLACE TO RUBBLE!

**BAROOM**

THE ANSWER? I DON'T EVEN KNOW THE QUESTION!

BE CAREFUL, MATAU!

THAT WAS MY PLAN, SISTER.

ANYTIME YOU WANT TO QUICK-LAUNCH THAT DISK WOULD BE FINE, VAKAMA!

GRRRRR!

BOTHERSOME GNAT...

FLY NO MORE!

**KRASH!**

TOO CLOSE!

LET'S SEE IF THIS HELPS.

HOPE SO, BECAUSE WE HAVE COMPANY, VAKAMA.

NUURAKH! AND IT'S ANYONE'S GUESS IF THEY ARE HERE TO FIGHT THAT THING... OR US.

YOU THINK TO STOP ME WITH TOYS?

HAVE YOU WONDERED HOW IT IS THIS BEAST SPEAKS MATORAN?

YES, BUT I DOUBT WE WILL GET A CHANCE TO ASK HIM FOR AN EXPLANATION, BROTHER.

NOKAMA IS PROBABLY RIGHT. THE VAHKI WILL MAKE SHORT WORK OF THIS BEAST.

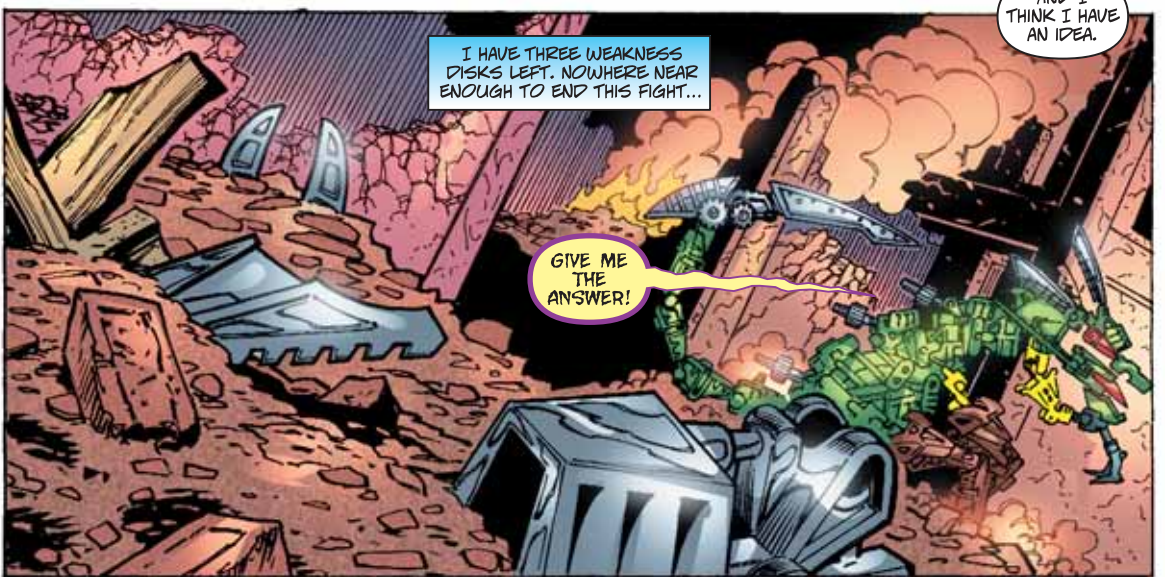

IT'S UP TO US THEN.

BUT THE OTHER TOA, AND LHIKAN--

--WILL HAVE TO WAIT. WE CAN'T RISK LETTING THIS CREATURE RAMPAGE UNCHECKED.

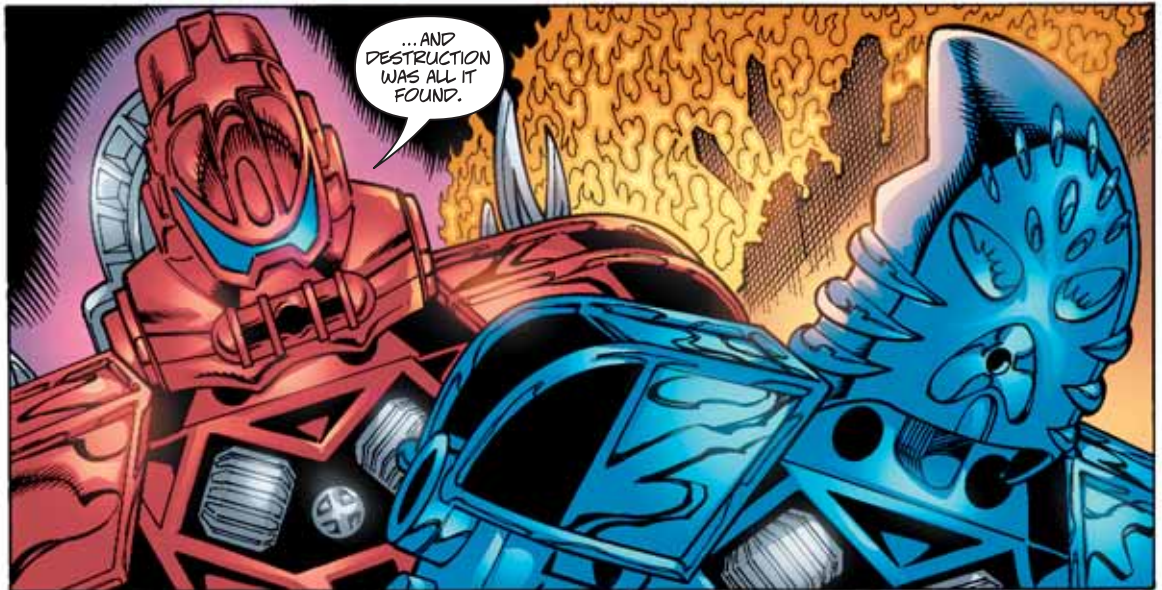

AND I THINK I HAVE AN IDEA.

I HAVE THREE WEAKNESS DISKS LEFT. NOWHERE NEAR ENOUGH TO END THIS FIGHT...

GIVE ME THE ANSWER!
