

SWAMP STALKER

BUILDING STEPS

BIONICLE®

This monstrous reptilian Rahi dwells in the swamps of Karda Nui. Mutated by the swamp waters into an armored colossus, its jaws are powerful enough to snap a razor whale in half with one bite. It spends its time beneath the murky waters or laying on muddy islets, waiting for prey.

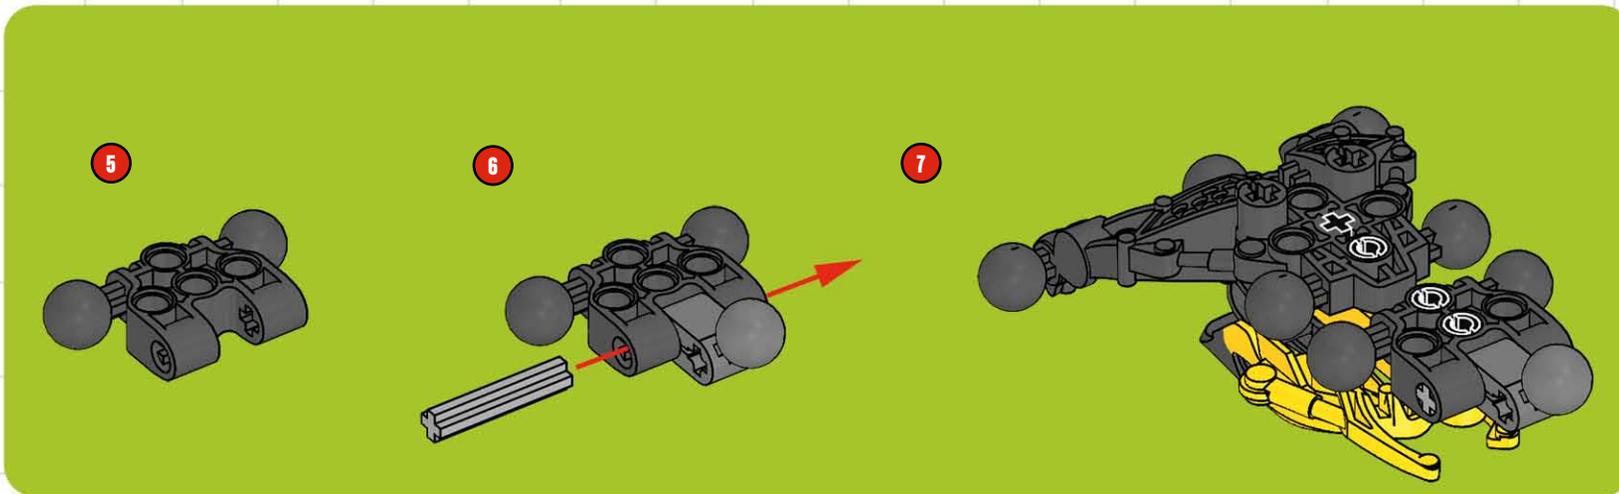

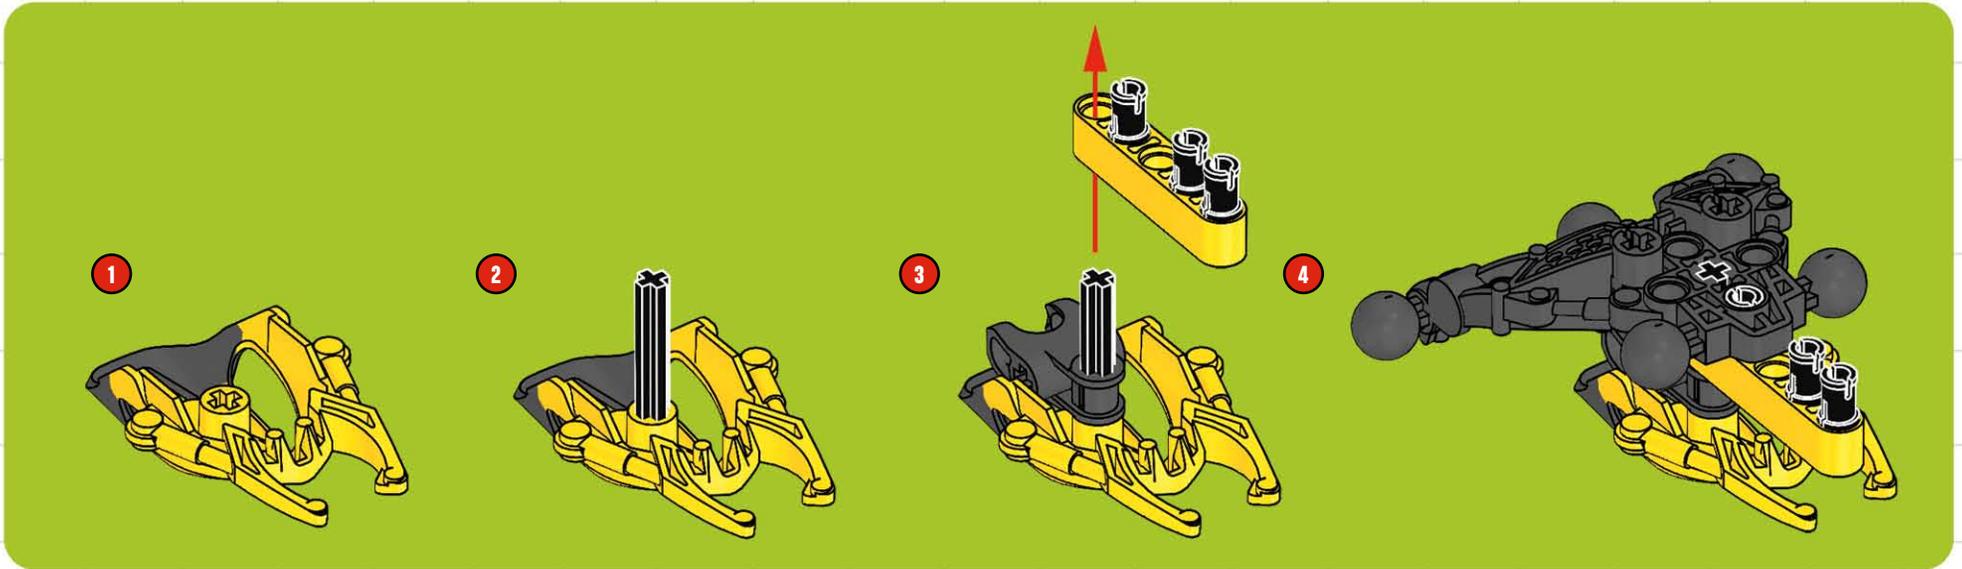

Build the Swamp Stalker using pieces from 8696 Bitil, 8695 Gorast, and 8694 Krika.
