

Build the

ZYGLAK!

The Zyclak are a reptilian race accidentally created by the Great Beings out the remains of the process that brought the first Matoran villagers to life. The Great Beings were seeking to create intelligent organisms called krana, but found that some of the material they used turned to Zyclak instead. Shunned by their creators and hated and feared throughout the universe, the bitter, savage Zyclak retreated to the dark places. There they wait, brooding over their fate and hating the Matoran and all who honor Mata Nui. Those who encounter them rarely survive to tell others the tale.
